INTRODUCTION

A unique collection of homes in sympathetically restored historic buildings, residing alongside new Houses and Apartments, meticulously designed and created for 21st-century living.

The captivating history of the Grade II Listed Old School House serves as the central focal point for a community of new homes.

The new community of beautifully crafted homes revolves around preserving heritage and creates an eclectic mix of new and old architecture in the heart of the historic market town of Bridgwater.

LOCATION

Morgan's Quarter lies in the heart of Bridgwater, a beautiful and historic town in Somerset. The small town is located some 35 miles south of Bristol and 11 miles north of Taunton.

The town retains its old quays, a canal link to Taunton and a reputation for industrial enterprise. With close proximity to the M5 it is an ever-growing community with a relaxing way of life.

Morgan's Quarter sits a 2-minute walk away from the new £16m Northgate Yard complex due to open in October 2022, which includes a 7-screen cinema, 8 lane bowling alley, sports bar and restaurants. A 5-minute walk in the opposite direction you will reach Angel Place shopping centre, the town centre and high street.
